# TEACHERS' AIDS

The phrases "be quiet" and "back to your seat" are frequently heard in every Study Hall. Some students ignore them, others just wished they would work.

The aids that watch these classes have a great deal of patience with the impertanant students and respect for the conscientious students. We would like to take a moment to commend these ladies for their good aspects, which everyone can learn from.

Beth Campbell has a bad case of writers block.

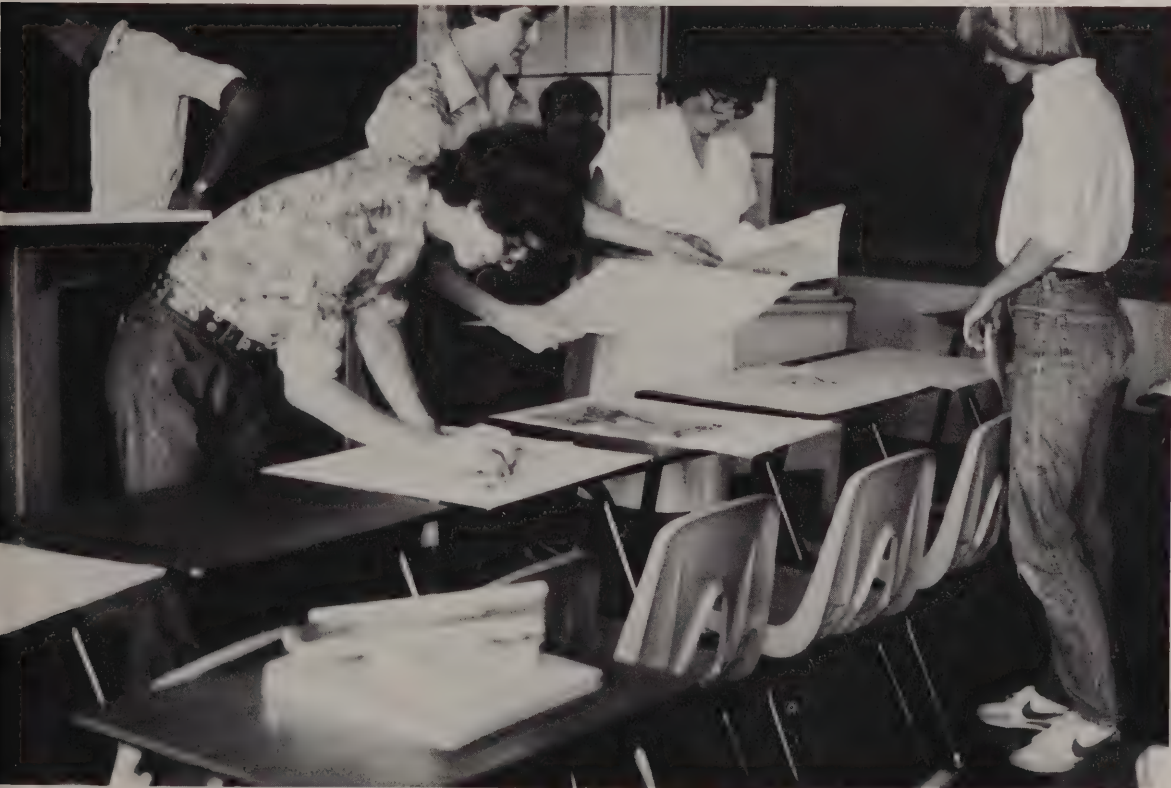

The editors job is never done.

The means in which Focus, the Luray High School Newspaper, is produced is one that consists of anticipation, confusion, relief and anticipation, again.

New ideas and ways in which to present these new ideas are needed for each issue. The task may sound easy, but remember the topic must interest everyone. What do the school jock and a Home Ec. student have in common? Not so easy, after all.

After these original ideas are collected the confusion begins. Stories are written characters drawn, photos taken, typing began, pages are layed out and "catchy" headlines conjured up. The eye straining and brain pressured job of proof reading are next, though not always thorough. Have you ever spotted any of those famed bloopers? A proofreader's job is never done! Finally, the weight is lifted and Focus is off to the printer . . . Relaxation? No, new ideas for a new issue.

The staff works hard just before the deadline.

I would like to thank the **HIGHLAND STAFF** of 1981. My thanks go to Barbie Smith, for the many pictures she took; Christine Atkins and Dianne Bailey for the ads sold. A special thanks goes to Mike Stilwell, Debbie Bragg, and Stephanie Bragg for their unending devotion throughout the year; to my mother, Barbara Call, for her aid in typing pages and pages of copy. Many thanks go to Mr. Becker for his moral support when things were not going so well. It was not the abundance of knowledge that finished this book but a "RESPONSIBLE ATTITUDE" and "BOUNDLESS DETERMINATION". I commend these people for a job well done and the ability to accomplish their goals. I also want to recognize all the people who did all the little necessities. Thank you once again.

The leader of the band

Coach Jennings planning his next move (below) Organizing a homecoming parade.

"Harvest Moon", ties, nerds, witty signs . . . All were a part of LHS' Homecoming. The week began with the election of princesses.

On Tuesday each grade level created witty signs to post on their designated part of the school . . . seniors, how do you spell spirit? . . .

Wednesday morning the entire school voted for homecoming queen among the three seniors, princesses and that night after the car parade everyone enjoyed an enthusiastic bonfire.

And, Thursday was the real clincher. You could see just who was who, eighth graders wore "wild and wacky socks" freshmen covered their heads with "Hats", sophomores showed their "sporty" sides, juniors by coming as nerds and seniors added with ties.

On Friday just after the second period tardy bell rang all of Page County "shook". All of LHS united Friday to yell, Beat Page once. Friday night at the football game though the Bulldogs lost to the Page Panthers (15-14) the mighty dogs put up one heck of a fight down to the last second.

The halftime ceremony featured the LHS' Symphonic Band . performing "American Salute" and "One". The homecoming court was presented and Miss Joanne Vaughan was crowned LHS' Homecoming Queen 1980 by tri football captains Robbie Tate, Pat Goode, and Davy Pullen.

Saturday evening saw students, alumni, and guests all decked out in their best. The gym was transformed into a setting of rolling hills with a majestic "Harvest Moon" and couples danced to the sounds of Vision.

Varsity cheerleaders get some help from Laura Selman.

Underclassmen talk it up before homeroom.

Patricia, are you on another plant?

Fans take it easy at one of the games.

Davy and Brian concentrate on blowing their horns.

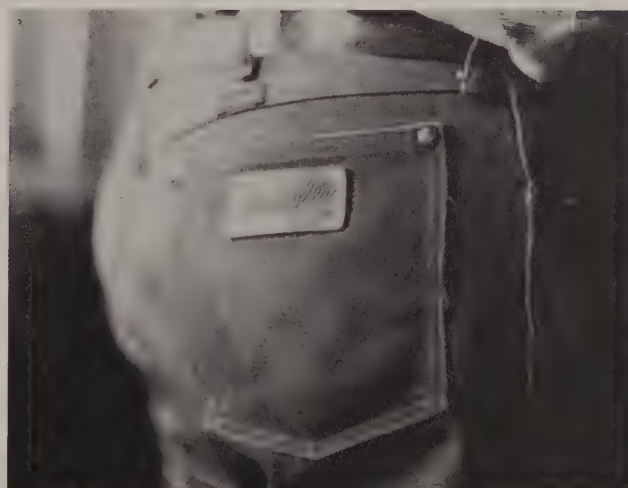

We didn't do it, honest!

Are you cold Beth?

100% effort!

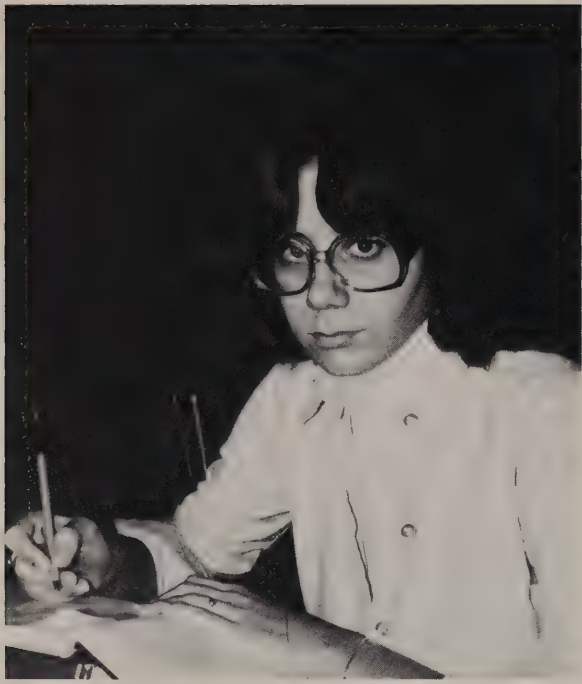

Nick's best side?

Everybody boogie!

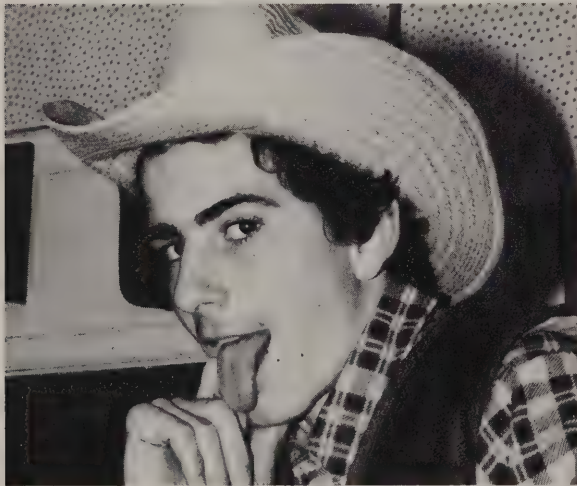

Tina Lucas finishes last minute homework, as usual.

Brian Keyser, Donna Bell, Barbie Smith, and Brien Poffenberger take a break from French class.

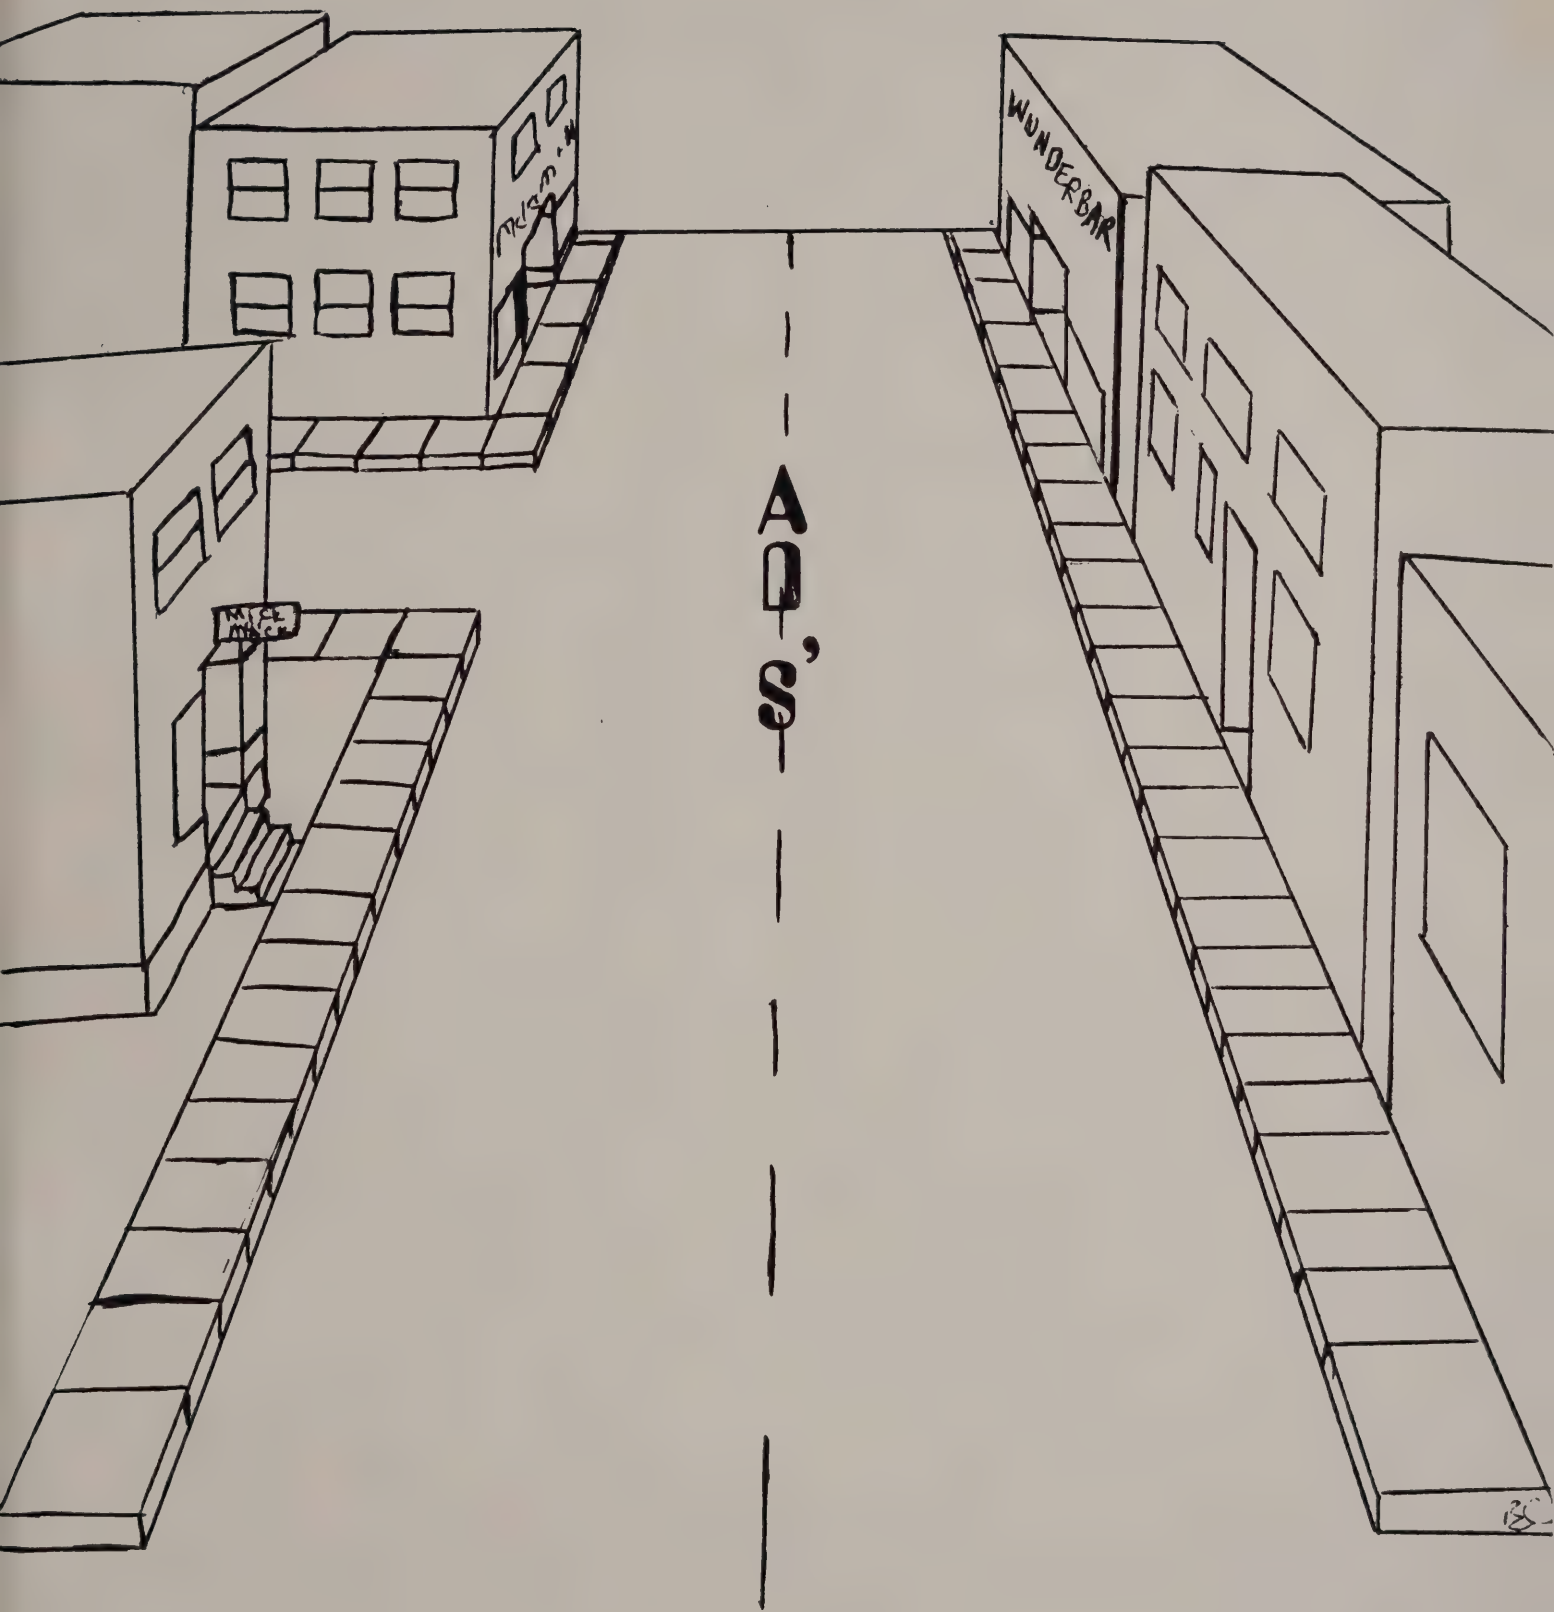

A very distinguished Eddie Janis.

I can't read this, it's in French!

Cheerleaders sing national anthem.

To Teresa,

Words could never describe  
what I think of our friend-  
ship you do mean a whole  
lot to me

Always remember our  
flautist's sessions, Lynette's  
car-gaud those lovely  
"Tony & Teresa" organ & ~~for~~ piano  
concerts. All those lovely phone  
conversations. Dianne, English and  
Mr. Wilson.

I've been through alot and  
if you weren't there to talk  
to I'd never made it through.  
Remember that surprise  
party, and the Monday Labor

day masses (special mass)  
all those lovely pool  
day.

Love ya  
alot,  
Tony

Jessa,  
I decided to sign on a page where nobody  
has signed. I know we've been through our differences,  
especially lately, even though you didn't let  
me sign your annual first. I will always  
remember our "little almost" in the summer.  
I wish we could have been better friends.  
You lost your chance, and it may not  
be back for a long time.

Remember all our long talks in the  
summer, all our times at the pool,  
Pep band and all our little disagreements.  
\* You are our best drum majorette, but  
a little bit too bossy especially when the  
first has a bad case of nerves before a  
greatly performed solo. Always remember  
the great section of (stud) trombones.  
Good luck with all.

Love,  
Brian

To one of the nicest  
and sweetest  
girls I know  
Good luck from now on  
you do

To one of my friends  
Tessa,  
you are one of the sweetest  
most nice people I know.  
Keep it this way. You always  
brighten up the rest of my day  
when it rolls around to  
your French class.  
Good ole + Take care.  
Thanks + Take care.

Love ya,  
Karen ☺ "84"

P.S. You're  
definitely  
the cutest drum  
major I've ever  
seen!

To one of the nicest

Good luck in the future years.  
me. Stay nice as you are now.  
don't care what you are now.  
speed. I know that you call  
calling me pip.  
who keeps  
to the you

Teresa,  
What do I write  
to someone whose friendship  
means so much to me? You're  
one person I can always count  
on to be there when I need you. You're  
someone to share my secrets with no matter how  
large or small they might be. The good times we've had  
together are endless. I hope they'll remain that way.  
You're the greatest and I wish you the very best of luck always!

P.S. KEEP YOUR  
HAND OFF HIM!  
(HA! HA!)

AFA Love,  
Dianne

Dear Teresa,  
You are such a sweet girl and  
a darling young drum major.  
You are one friendship. I will  
always cherish. You are a great  
person and a great friend.  
Try never to forget me and  
the fun we've had and will  
have! Lots of love  
Love  
Dianne

To one of my very best  
friends. Remember all of  
the good and bad times  
at Springfield. When you  
switched to Flute in 7th  
grade I had no idea  
how serious you were  
about it. Remember when  
I used to be smart. And  
the time we went to  
JMU to take that test.  
(We almost didn't make  
it.) Remember the time  
we had to teach those  
little kids what their  
numbers were. Was that  
even a pain. Remember  
all of our wild and  
weird romances when  
everybody liked the  
same guy at Springfield.  
Remember our talks  
at the pool and all  
the questions (especially  
the answers.) Remember  
B.K. and B.P. And I'll  
remember B.T. and T.F.  
Along with a few  
hundred thousand  
more for both of us.  
If your ever in a  
bad mood you just  
think of that certain  
couple that makes you  
laugh and I'll think of  
the couple that makes  
me laugh. Now for the  
boring yearbook stuff.  
Good-luck in the future  
with everything you do.

Kendy Crisler
